DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Mr. Art Crawford, Esq.

This communication is in response to your voice mail message of November 6, 2008 at ~8:43 AM EST inquiring whether the corrected declaration of January 14, 2008 and the certified foreign priority document, GB 9515956.2, have been noted and considered. The Examiner has reviewed the electronic file of the instant application and has noted the declaration of 14 January 2008, which corrects the number of the first listed foreign priority document to GB 9515956.2. It is noted that the certified foreign priority document, GB 9515956.2 is of record and is acknowledged. Applicant has met the requirements of 35 U.S.C. 119(a)-(d) for a claim of foreign priority and is granted benefit of all three foreign priority documents listed on the January 14, 2008 declaration.
